Camping

There will be 2 main camping areas onsite. The first is **Campsite Jack Sparrow**, which is located near the site's main entrance, in what YMCA calls "Family Park" - 70% of groups will camp here, and there will be a dedicated info base to ask questions and seek help on the camping field.

The other will be **Campsite Hook**, on YMCA's main field, camping will be located by the Sportshall, Eco, Copse and Campfire campsite. This area will also contain the main activity areas as well as "**The Bridge**", the main operations hub that will be available for questions and

information throughout the event. Groups will camp in district areas and we strongly encourage groups to work together.
