We have an opportunity
People are looking to us!
We need to be superheroes!

What we need to do

RE-JOIN

Leaders who have stepped away – encourage them to come back

PLUS 1-A (recruit)

Recruit more adults – at least one for each section across the County

As we did with Youth in 2019. This is a challenge from the County Commissioner to every District and Group.

STEP UP

A campaign to help adults to move forward to the next level, enhance their knowledge, skills and enjoyment!

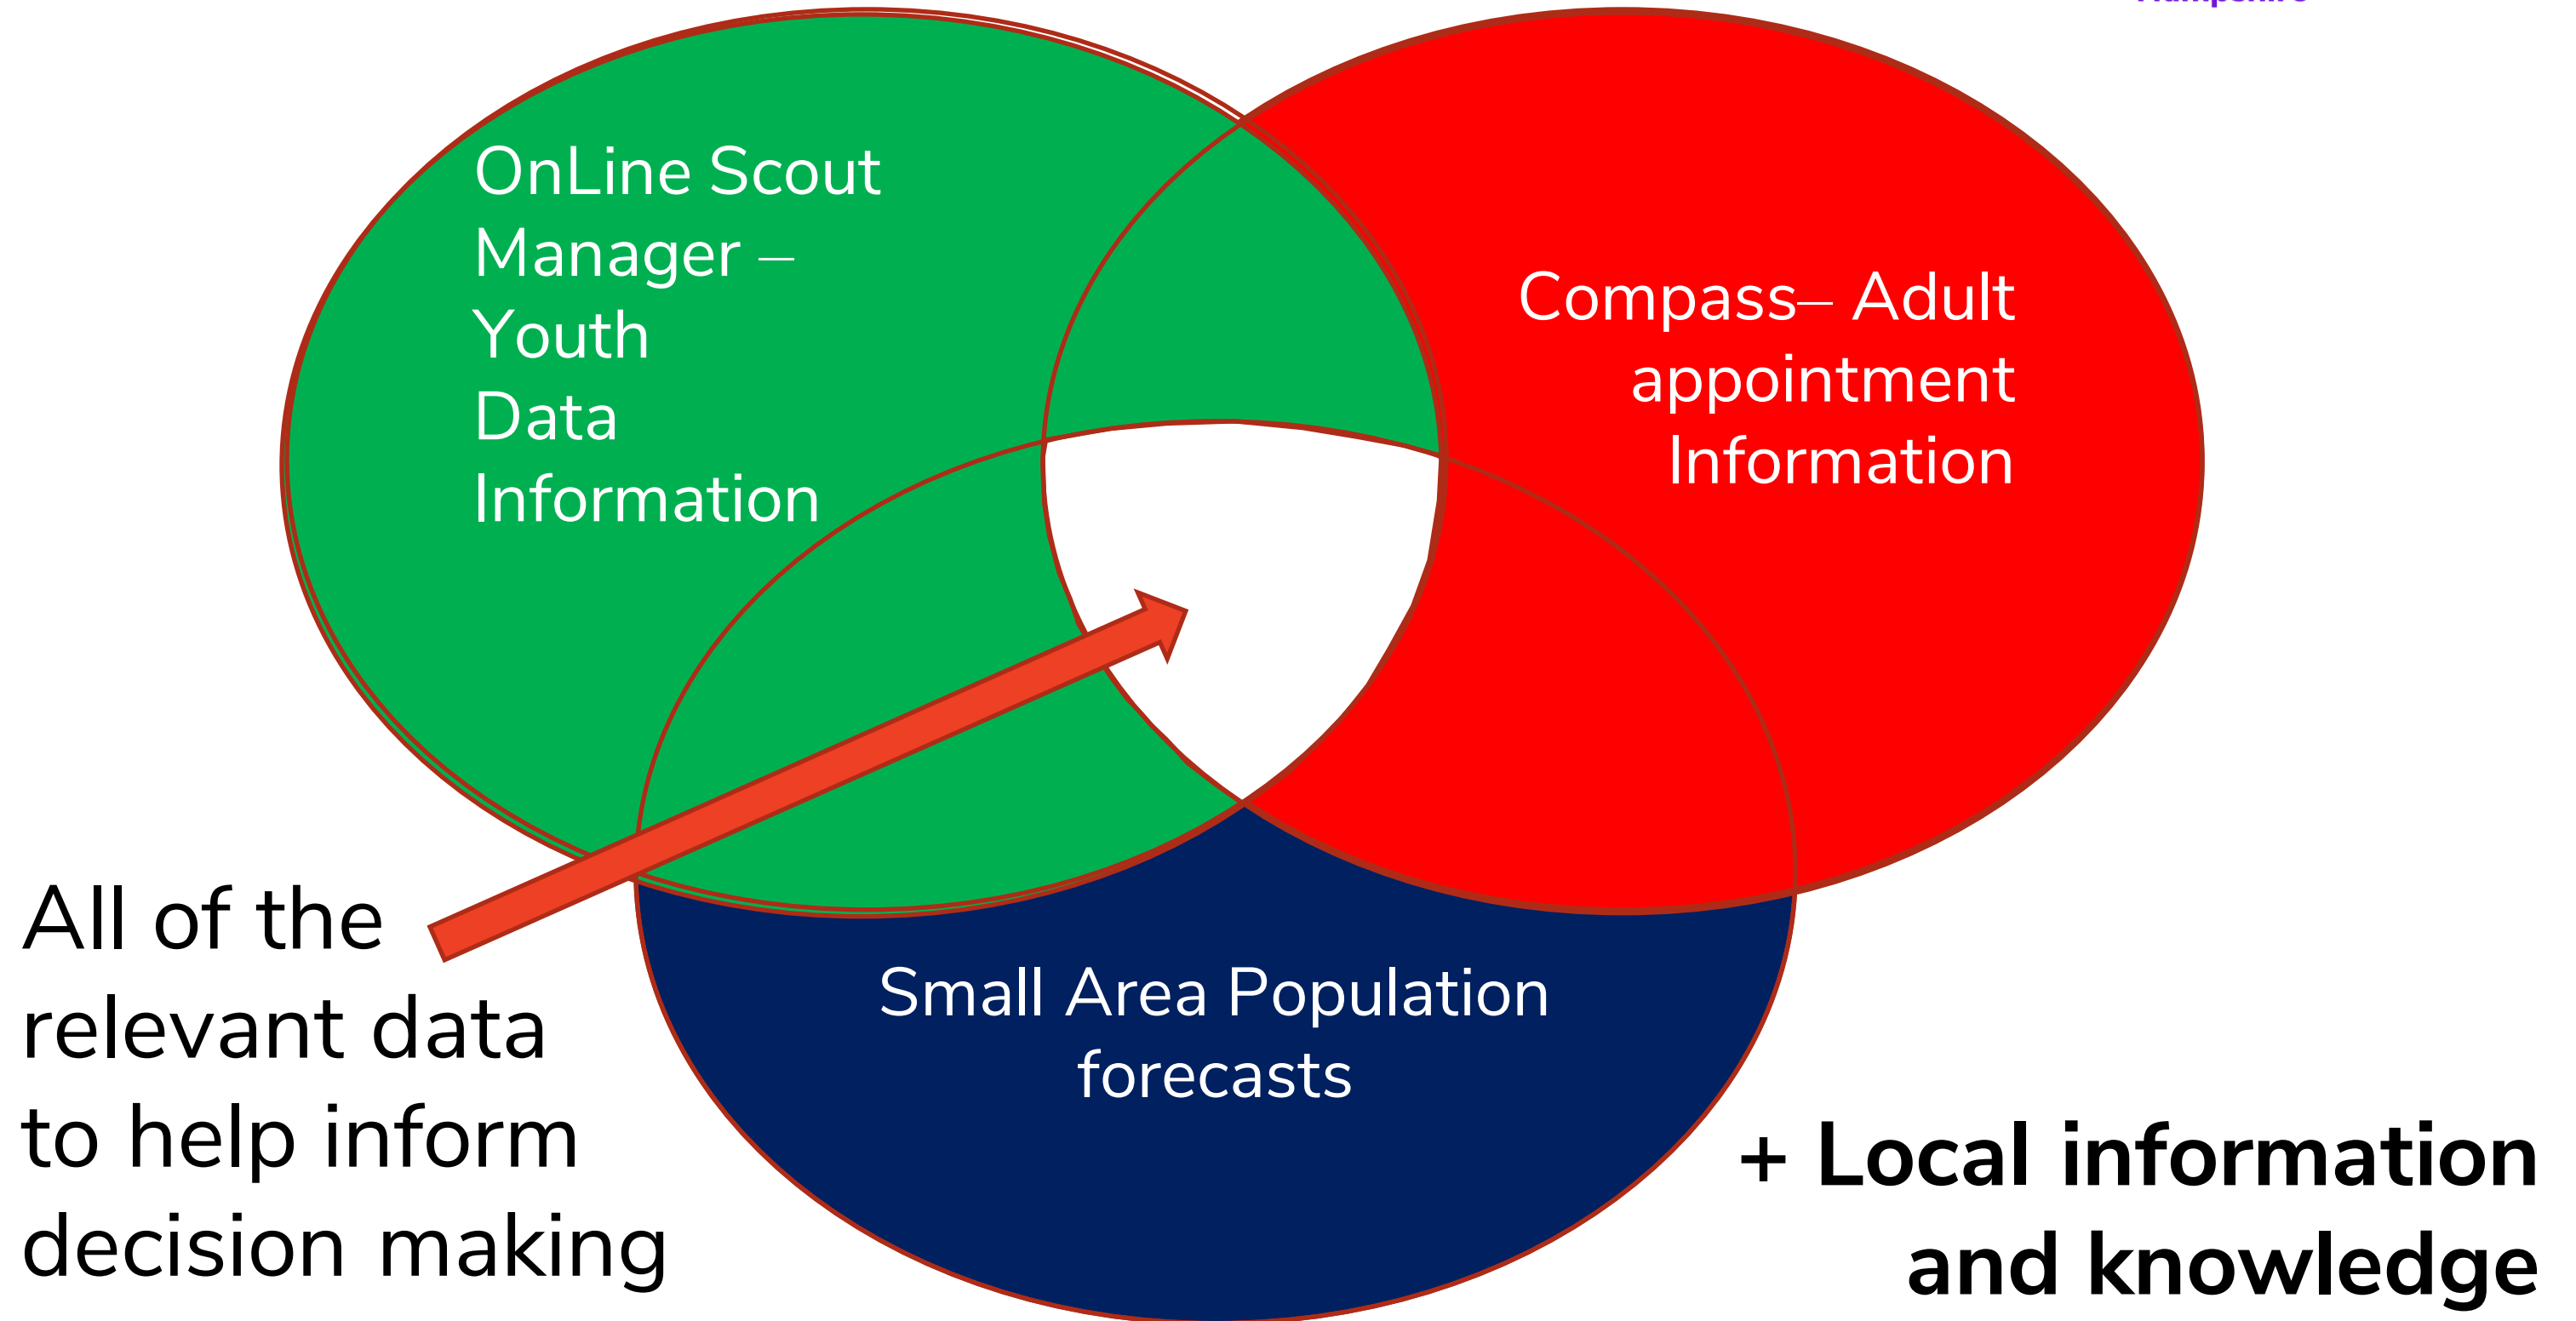

Data is our friend

Data is only as good as records being up to date and current

It is only useful if we bring it together and utilise it to help to shape our actions
