**Our Jamboree Grants are designed to enable people to take part in the World Scout Jamboree who may not be able to afford to go without financial support.** Our aim is to support those who are in most financial need to attend so if we are oversubscribed we will also take into account the number of financial hardship criteria that apply, as listed by UK Scout Headquarters. Please tick all that apply to you or your family.

There is no need to provide proof of any of the below on application. The Hampshire Scouts Grants Sub-Committee will contact the parent of the applicant for more information or evidence later in the application process.
