

Suisse Adventure Roundup

Day 1 - Activities in full swing

Welcome to the second edition of Swiss Adventure Roundup. The first day of activities had been concluded, and what an amazing day it has been. We have had groups go for a swim in the Oeschinensee lake, a group go mounting biking, a trip to Interlaken, a cheese hike and many over activities.

Your stories

Pictures and stories:

Here are some pictures of the adventures the scouts have been having on their first day!
Please remember to send in your stories!

Today some of the Swiss adventurers took a trip to the world heritage site of Oeschinensee lake taking in the beautiful scenery before taking a dip then hiking back down via a stop in the village of Kandersteg. This lake is fed by a glacier meaning the water is very cold.
