A New Queen's Scout on Top of the World

ON top of the world, and top of the pile, is Enver Eng who after years of hard work was awarded his Queen's Scout Award yesterday on the shores of Oscensee Lake.

He was presented with this award, one of the highest awards in the Scout movement, by Andy Chatwin, Camp leader and lead volunteer for programme in Hampshire.

From volunteering in his community during the Covid-19 pandemic to trekking as part of a gruelling expedition and working alongside other Scouts to make events and adventures happen, it's been quite a journey.

Your stories

Pictures and stories: Here are some pictures of the adventures the scouts have been having! Please remember to send in your stories!

After taking a ride on the speedy cable car, Network enjoyed lunch by Oeschinensee Lake followed by a rather chilly swim. Ice cream was the sweet treat of choice before heading down to the town to enjoy the local swimming pool.

Songs, sketches and laughter: the international camp fire was packed with scouts from around the world! No matter the language, everyone joined in with the songs and 'danced' together. The staff 'pinkie' team performed several sketches, some that we would recognise back home and others new to us.

After taking the cable car to Adelboden, the adventurers experienced an exhilarating day on Trotti Bikes (Scooters equipped with mountain bike tyres and handlebars).

These bikes reached speeds of 40 mph and the adventurers returned saying the activity was the best experience they'd had yet.

A Birthday Bash for Jungfrau

Two friends sharing the same birthday on the same camp? Only at Suisse Adventure!

For William and Danny who turn 15 and 16 respectively yesterday, it turned out to be a day of relaxing, exploring and trying activities at their own pace.

Sharing a sub-camp, both were surprised with banners, cards and presents of course to start the day. Both enjoyed a trip to Kandersteg village and a chance to try out the swimming pool in the village, perfect on a hot sunny day like this!

Plus with International Campfire in the evening, it proved to be a memorable day.

They're not the only ones celebrating on this camp so keep it peeled for any more celebrations to come.

Geocaching

Whilst you are out and about on your adventures why not download the Geocaching app?

Hidden all around the world, including even in Kandersteg, there are little packages ready for you to find when you can. Some of our Scouts have already found some and added their names to the log. Will you find some in your time here?

First KISC Award completed by Matterhorn Explorers

They managed to complete the Swiss Explorer award and have discovered both the local area and history of Kandersteg and some interesting facts about Swiss Culture.

For instance, do you know why Switzerland has the code CH? This comes from the Latin name Confedartio Helvetica. This is just one of the interesting facts that they have learnt during the completion of the award.

The Explorers are now working towards completing some of the other awards, so watch this space for more information and stories. I hope that these are not the first of the awards achieved that we hear about.

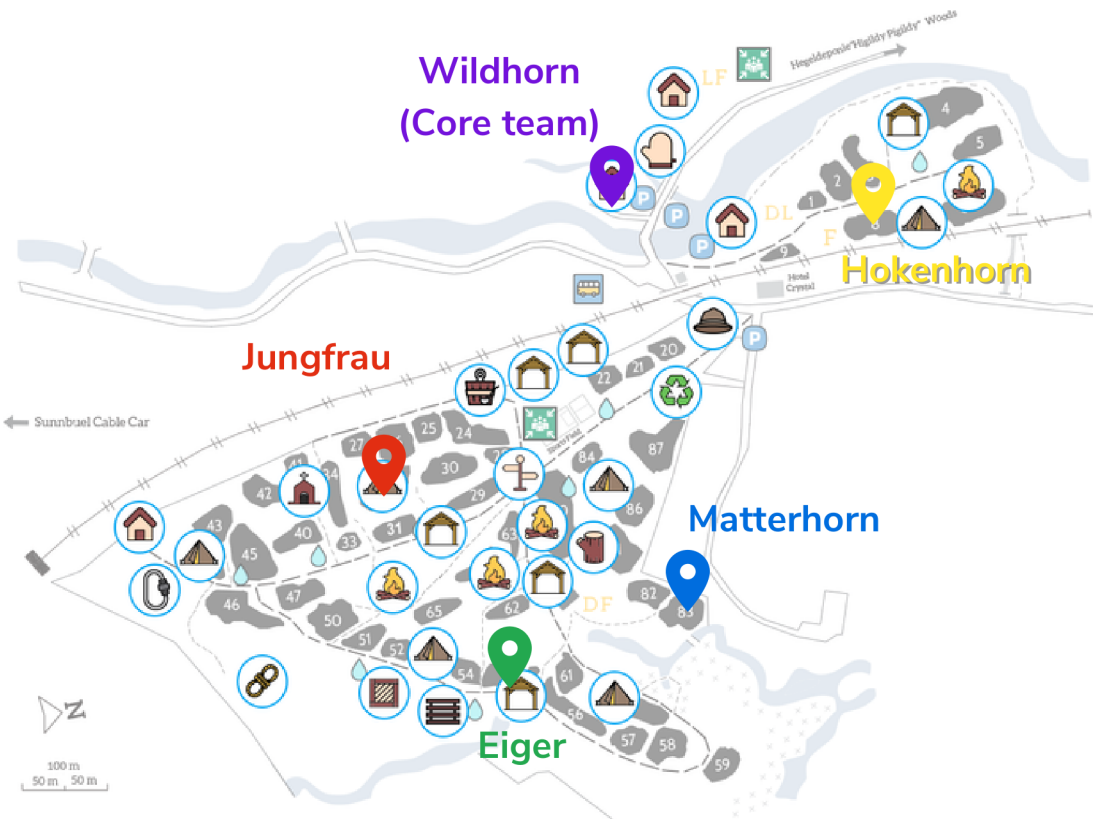

Lots of the requirements for other badges had actually been completed just by doing their normal activities without even thinking about it leaving only a few simple things for them to complete in their time off.

Other awards include the Eco Award, High Adventure Award, KISC Challenge, International Friendship among others.

Brain teaser: 1)The baby because he is a little bigger, 2) Meat 3) Stop imagining

Find the Rhyme: 1)Theo Paphitis listening to Wheatus , 2) Danny Dyer is a town cryer , 3)Nick Hewer using a skewer.
